

LaxManiaX is the premier girl's/women's lacrosse club in the State of Florida and the Southeastern United States. Our organization is designed to educate, encourage and promote the growth of women's lacrosse while preserving the integrity of the game. We seek to positively impact athletes by encouraging sportsmanship, respect for players, coaches, umpires and spectators while providing our members opportunities to achieve their full potential. LaxManiaX club teams compete in national and regional tournaments sanctioned by the US Lacrosse Association, the national governing body for women's lacrosse. Our players also play for their respective high school and middle school teams; LaxManiaX provides a valuable resource in the development of lacrosse programs for many area schools. Our teams are coached to compete at an advanced intensity and many players are recruited to continue their athletic and academic careers at the collegiate level with several earning athletic scholarships for their efforts.

All of our players are seeking sponsorships from individuals, and businesses such as yours to help support the club and overall development of the sport. 75% of your contribution is credited directly to your sponsored-player's travel expense account with the balance going to our financial aid fund providing assistance for players who are financially unable to participate without aid. Sponsorships may be tax deductible. Please consult your accountant and/or tax preparer for your individual benefit.

In appreciation of your support we offer three levels of sponsorship. Any contribution, regardless of amount, is greatly appreciated. Thank you for your support!
